## Humboldt, Iowa Antique Tool Auction

Held in conjunction with the final  
MWTCA Humboldt Tool Meet

May 3, 2025, 9:30 AM

Humboldt Fairgrounds  
Events Center Building  
311 6th Ave. North  
Humboldt, Iowa 50548

For our last trip to Humboldt for the final tool meet to be held there, we will feature the very best items from the Karen & Cleo Dye collection in Monmouth, IL including fine **Stanley No. 1 & 2 planes**; No. 55 with 4-boxes of blades; No. 1 Type I Odd Jobs, STANLEY No. 92 rosewood & brass butt & rabbet gauge; ice cream scoops; **Keen Kutter slaw cutter**; several brass tea kettles; Brewster's Patent rein holder; Howard Patent combined bevel & level; Winchester brass grain scale; English hurdle maker's twybil; **Mitteldorfer Straus Patent goat-head hammer head**; brass tool used to measure hats or hat bands; two immigrant's trunks; hardware catalogs, & more.

From a recently closed cabinet shop in Southern Missouri we will have at least five **Lie-Nielsen planes** most will original boxes; a Lie-Nielsen beading tool with blades; Record 073 shoulder plane; Union 4 1/2 smoother; Union 60 cabinet scraper; Stanley 71 & 271 routers; Stanley Planes: 7 MADE IN ENGLAND; 8; 10 1/2; 36; 45 in wooden box; 9 1/2; 45 in wooden box; 46 with blades; 48; 75; 78; 79; 92; 135; E.C. STEARNS cabinet scraper; Millers Falls 14 jack plane & cigar shave; RECORD 06 fore plane & 044 plow IOB; RALI rabbet plane IOB; miter chopper; drawknives incl. folding; scorp; wooden & iron spokeshaves; **numerous carving and turning tools**; Lie-Nielsen 15ppi INDEPENDENCE saw IOB; sharpening stones & more.

From the late Bill Roberts Collection in Bettendorf, Iowa, are more **wooden plow & wedge-arm fillister planes**; wooden levels, assorted molding planes; few farm tools, etc.

From the late Bob Olesen Collection in Illinois are **early wooden molding planes**; complex molders; tool advertising; etc.

From the late Peggy McBride collection in LaPorte City, Iowa, **sewing machines**, scissors, etc.

From a vast Kimberling City, MO collection, many **household antiques** that decorated the home of a couple who operated an antique store in the 1970s and 1980s in the Branson area.

And from a collection "Up North" we have a **collection of plumb bobs including a 4-lb. engraved model**, several nice panel, hand and meat saws; a few levels including a Helb Patent; C-S with wooden inclinometer insert, several axes and assorted layout tools; and number of copper items.
